

## Volunteerism

The Senior Center encourages and offers volunteering opportunities. Individuals younger than 60 are encouraged to volunteer at the center as well as older adults. Volunteers are the life force of the Senior Center. They provide the hands, brains and heart of our efforts. Volunteers allow the Center Staff to expand and enhance programs and services.

A Special Thanks to all of our wonderful volunteers  
who help us make it through each day!

Please remember to sign in each time you visit the Senior Center. Even if you just “drop in” we still want you to sign in as “Visitor.” We use this valuable information to request funds, assess space needs and plan programs.
